# Media features & Client Reviews

*“We worked with Maia on several occasions and have had nothing but an exceptional work experience. She is great to deal with at a personal and professional level having dealt with her both as a blogger and a MADISON client! Bottomline, We love this girl”*

Trishna Bajaj (MADISON Head)

*“Everyday can't be a good hair day or perfect skin day, and I am okay with that. I have come to believe that beauty truly reflects when you are at ease with yourself and embrace your imperfection.”*

Radical Paradox Blog

*“FancyPants has worked with Maia a number of times & each time it has been a pleasure. Our first experience of working with her was at a shoot for our new collection and her professionalism as well as expertise in her field of styling & creating amazing content impressed us. We have maintained a great working relationship since & are always happy to be associated with her brand.”*

- Stuti & Jankee Desai , Founders, FancyPants

*“Always vivacious and sometimes over-dramatic Maia Sethna discovers that modelling is just another form of acting”*
